General No. 416
No.

Enclosure No.

REPAIRING THE AMMANAVARU CAR OF SRI SRIKANTESWARASWAMY TEMPLE AT NANJANGUD.

Sir,

With reference to your No.D.H.1064/32 dated the 20th August 1934, forwarding copy of G.O.No.105-6/Muz. 15-34-2 dated the 23/25th July 1934 sanctioning the revised estimate for Rs.6348/- for the above work, I have the honour to state that the work as per revised estimate was completed and in contractor's claims settled.

An amount of Rs.90/1/0 had to be incurred over the Revised estimate amount of Rs.6348/- as per details noted below:-

(1). A rate of Rs.1/4/0 each for ~~xxxxxxx~~ carving ornamental flowers 8" x 8" for 65 flowers had to be paid since the rate of Rs.0/8/0 per flower provided in the sanctioned estima e was found to be too low considering the nature of work done, and the above rate of Rs.1/4/0 had to be paid as per Data.

(2 An amount of Rs.25/- spent for ~~xxxxxxxx~~ removing the wheels of the car was omitted to be included in the revised estimate. The total excess for these two items comes to Rs.73/4/0 and,

(3). Small excess in some other items due to actuals amounting

to

to Rs.16/13/0, thus the total excess being Rs.90/1/0.

The total amount of contribution received for this work is Rs.6263/- against which the outlay incurred after deducting Rs.46/8/0 credited to work, was Rs.6391/9/0, resulting in an excess payment of Rs.128/9/0 which has been debited to Objection Book Advances in the accounts pending receipts of funds from you. A sum of Rs.35/4/0 being the portion of sale proceeds of old wheels credited to treasury will be adjusted in the accounts the balance of Rs.90/1/0 may kindly be made available early. Since the cost of excess incurred is less than even 2% of the estimated amount, separate revised estimate was not prepared.

I request you to kindly obtain the sanction of the Muzrai Commissioner for payment of Rs.90/1/0 to this Department and credit the same for early adjustment, under the circumstances explained above.

I have the honor to be,
Sir,
Your most obedient servant,

30/

EXECUTIVE ENGINEER,
MYSORE DIVISION, MYSORE.
